450 – DISCRIMINATION TOWARD AND BY STUDENTS

Introduction

Certain kinds of discrimination are prohibited by the Human Rights Code of BC. The Board of Education believes that such discrimination, which includes sexual harassment, is unlawful, unacceptable and offensive.

Policy

1. The Board believes that employees, applicants for employment, students, parents, other members of the community involved in School District activities, and individuals doing business with the district have the right to an environment free from discrimination.
2. The Board believes that discrimination demeans, belittles and humiliates individuals, and has a detrimental effect on the operation of schools, school-sponsored activities, and school-related business in the community.
3. The Board wishes to define discrimination, and directs the Superintendent of Schools to establish regulations which outline reporting, investigation and enforcement procedures, and the consequences of such behaviour.
