

Harmony Day Pooloza! (elementary)

(the added ideas are in orange)

School Collaborative Art Project: can be done as individual classes, buddy classes, or in family groups.

-possible ideas:

-*'We are all a piece of the same puzzle'. 'We all fit together'*
-die cut puzzle pieces from Hollywood Road.

-*'Working Together'*: hand-prints arranged in concentric circles

-*'We all Belong'*: -hearts, hand-prints, or both making a chain around school

-or small individual self-portraits- each class is assigned a colour that the portrait can be done in. When arranged, the little portraits make a rainbow.

-have families send in slips listing 2-3 countries/cultures/lands that they or their ancestor are from. Leadership/SJ students can put a pin on the map to represent the family.

** Tying a project to the book read in the assembly is a great way to do this.

School Collaborative Music: can be done as an activity in the assembly.

-each grade or class can be given one melodic chant.

-ie.

	y	pea-	to-
1, har- mon-		2. ceful	3. ge- ther.

-teacher can conduct the 'Harmony Day Orchestra' bringing in the different parts.

Multi-cultural Foods: to be done by indiv. classes if allergies are a concern

-Invite families to share some food reflecting their back ground or culture, much like bringing snacks for a class party.

Harmony Day Contest:

-Run a contest to win the 8 free Harmony Day t-shirts that are provided to your school (or use prizes of your choosing). Contest can be run over several days.

-Possible themes: multicultural songs, national anthems, greetings in different languages, a shape of a country, different flags, facts about different cultures.

-post possible answers on posters throughout the school and in each classroom

-have a ballot box and blank pieces of paper; students have until lunchtime to enter. Early primary classes can choose an answer as a class and then the individual students write the answer down.

-Leadership/Social Justice students sort to find the correct answers. The teacher/sponsor then draws a winner from the pile

Spirit Day: -orange day (clothes, hair, accessories)
-harmony day t-shirts
-multicultural day (clothes, flags, jerseys)

Harmony Day Assembly

Guests:

* can invite performers that can share something of their culture through dance, song, demonstration

*can invite a speaker who can talk of their experiences when he/she 1st moved to Canada and what are students can do to be inclusive of others

* can invite someone to talk about their experience with other cultures.

* in January, ask some staff members if their class will contribute a song, skit, slideshow, video etc. You only need 1 or 2! Good way to involve student teachers.

1. Have multicultural music playing as students enter gym. Puntamayo Kids CD's are great for this.

(2/3)

2. Short **introduction** about Harmony Day to be read by teacher, principal, or Leadership students. For example:

You look great in your orange and your Harmony Day t-shirts today. But did you know Harmony Day isn't about just wearing orange. It is a day where we focus on respecting how we are all the same yet all so different.

Harmony Day is a day of cultural respect for everyone who calls Canada home – from the traditional owners of this land like the Okanagan People, to those who have come from many countries around the world. By participating in Harmony Day activities, we can learn and understand how all Canadians from diverse backgrounds equally belong to this nation and enrich it. (adapted from harmony.gov.au)

We celebrate the different languages we speak, the different foods we eat, and the different faiths we practice, and the different days we celebrate! In Canada and at _____ we all belong!
