

FAQs regarding entry into French Immersion

Question: Can my child enter French Immersion past Kindergarten and Grade 1?

Answer: If your child has been exposed to the French language, and after the school has tested that language proficiency and deemed that your child could be successful in the program; the Principal can agree to enroll your child into French Immersion.

Question: Does School District No. 23 offer a late French Immersion program?

Answer: No, this is not one of the School District's program offerings.
