Students Add 'Memory Boxes' to Time Capsule Container

Kelowna – Today, students from throughout the Central Okanagan came to City Park to deliver memory boxes for inclusion in a weather-proof, aluminium time capsule container, which will be secured to a bridge pontoon. In 2035, when the time capsule is reopened, former students in their early 30's and older, will have a unique glimpse into the school years.

Belgo Elementary students George Cairney and Kiana Wong hold their school's artistic memory box

Rose Valley students (L – R) Brynn Fosbery, Cole Fosbery, and Brittany Renfrey with their commemorative plaque.

North Glenmore students Nicole Johnston and Jelayan Falat deliver Quigley Elementary's memory box
