310 – TEACHERS ON CALL

Introduction

The Board of Education recognizes that from time to time teachers are not available for their regular teaching duties and that teachers on call are therefore required.

Policy

1. The Board agrees that the services of a teacher on call may be obtained, if authorized by the Superintendent of Schools, to replace the regular classroom teacher.
2. Such employment, deemed casual, shall be on a day-to-day basis or for a short term.
