**405R – STUDENT PLACEMENT
(REGULATIONS)**

1. Placement

A student may enrol in an educational program at any school in our district, providing there is space, as outlined in Sections 2(2) and 74.1 of the School Act, this policy and its regulations, unless they have been directed to another school for any reason as determined by the Superintendent of Schools or designate.

Once a student has been registered in a school, he/she will be counted as a student of that school.

2. Registration Priorities

Priority shall be given to students on the following basis:

- catchment area students who, in the previous year, attended the school;
- catchment area students who, in the previous year, were ‘placed’ by the district in a different school;
- siblings of catchment area students;
- new catchment area students;
- siblings of non-catchment area students currently enrolled in the school;
- non-catchment area students who request to attend the school which is other than their catchment area school;
- non-district area students
- international students.

3. Capping

In situations where a grade, program or school has reached capacity as set by the Board of Education, capping will be used to relocate students to another school as follows:

- 3.1 Decisions related to capping will be made by the appropriate zonal Director of Instruction, in consultation with the parent(s)/student, the two principals involved and the Director of Operations or designate if necessary.
- 3.2 The Director of Instruction will provide to the principals a form letter to communicate to parents the relocation of the student to another school and explaining the procedure.

- 3.3 The home catchment area principal will place students on a chronological waiting list and will notify the parent(s)/student when space becomes available.
- 3.4 When notified that space is available, parent(s) will have the option of returning the student to the catchment area school, either immediately or at the beginning of the new school year, or have the student remain at the school to which he/she was relocated through capping. If the latter is chosen, the parent(s)/student will be responsible for transportation.

4. Non-Catchment Area Student Registrations

- 4.1 A parent (or a student who is living independently) may register at any school. Registrations will be approved if there is space available in the receiving school, grade or program as per No. 2 Registration Priorities.
- 4.2 Registrations for students from outside the school's catchment area will be placed on a chronological waiting list, based on the date and time the registration is received. After the students from within the catchment area have been placed into classes, non-catchment area students may be accepted into the school from the established Registration Priority waiting list.
- 4.3 The receiving principal will notify the parent(s) of the acceptance/rejection of the registration and of the student's position on the waiting list by the end of the first week in September.
- 4.4 Once a student is accepted into a school outside of his/her catchment area, siblings of this student will be accepted by established registration priorities and according to space being available.

5. Reassignment Registrations

- 5.1 A reassignment of a student may occur if it is deemed to be in the best interest of the student and the school, after consultation with the receiving principal and the parent(s)/student.
- 5.2 The receiving principal should notify the parent(s)/student of the decision, at the earliest possible date.
