

Section Six: School District Facilities

“Together We Learn”

635 – REAL PROPERTY DISPOSITIONS

Introduction

The Board of Education believes that the primary purpose of Board-owned sites is to provide facilities which are used to deliver and support educational programs to students of School District No. 23.

Policy

1. The Board recognizes that property dispositions may be necessary and/or in the public interest. The disposition of a school property must have no adverse effect on the educational programs or the delivery of educational programs in the school district.
2. The Board may dispose of land or improvements, leases (short and long term), rights of way and easements under the authority of section 96(3) of the School Act and Ministerial Order M16/03.
3. The Minister of Education will be notified of any disposal by providing the Minister with a copy of the property disposition bylaw. Where proceeds are received for the disposal, the Minister will also be provided with written notification of the disposition and allocation of the proceeds required under section 100(2) of the School Act.
