

June 27, 2014

As the 2013/14 year comes to an end, it is important to say a sincere thank you to all staff in the Central Okanagan School District. It has been a year of noteworthy accomplishments and we appreciate all of your extra efforts. There is a 'Year in Review' PowerPoint posted to our website which highlights many of the significant events that have taken place.

We also recognize that it has been a challenging time for public education as a result of the current labour dispute. We hope for a resolution to this situation in the near future. A letter, written by the Board of Education to both sides involved in the dispute, is also posted to our website.

We don't want to lose sight of the fact that we have also enjoyed a year full of wonderful activities and opportunities for our students. Many of these have come as a result of the extra efforts of staff, parents, and community members. We truly appreciate this commitment by so many.

For those staff who are retiring or leaving the District, we wish you the very best for the future. For those who will be returning, we look forward to working with you in the coming year. Enjoy a summer break full of time with family and friends.
