

Do you *CARE* about kids and climate?

Become a Mentor!

Support local middle + high school students designing real climate solutions in our community.

“Mentoring a grade 11 student as part of the CARE program was one of the most rewarding things I’ve done. I watched him bring his idea to life while building skills in planning, collaboration, and community outreach. It’s inspiring to see young people leading climate action – and to know I played a small part.”

Jude Brunt

Community Engagement, Purppl
Board Director, Habitat for Humanity

- 10-30 hours over 3 months (Feb–May)
- Support youth with your diverse experience + passion – from carpentry to caregiving to tech to entrepreneurship to art and beyond
- No teaching experience needed
- Help turn climate anxiety into climate action

CARE is a practical, hands-on student and community education and engagement program delivered in Vernon and Central Okanagan school districts. Students explore and create real-world climate solutions that support local and global climate goals.

To support their learning, CARE matches each student team with a community mentor. **THAT’S WHERE YOU COME IN!**

83% of CARE Mentors felt more positive about our future after volunteering with young people!
