24 Hour Drumathon - Postponed

Kelowna, B.C. – The Central Okanagan School District and the Mount Boucherie Secondary School Aboriginal Leadership Class wish to announce that the upcoming Drumathon, scheduled for Friday, May 3rd, 2013, has been postponed. The MBSS Leadership group would like to thank the Okanagan community, business members, and media for their support for the 24 Hour Drumathon. Unfortunately, a WFN member has passed away, and out of respect for the families and the community, we are postponing the 24 hour Drumathon to a date yet to be determined.

Again, thank you for all of your support.
