Subject: Fwd: Landscape/lack of upkeep

Hello

I had originally sent this email on July 29th and have not received any response regarding the unkept ground condition at the Canyon Falls Middle School.

Could someone please respond as I would like to know if this issue is being addressed.

Thank you.

Subject: Landscape/lack of upkeep

Good afternoon.

I want to address the lack of any upkeep on the perimeter and also the interior grounds at the Canyon Falls school in the Ponds neighbourhood. It is evident that upon its completion in 2021 there was an extensive landscaping effort at a significant cost. It has been completely grown in to the point the original plant beds shrubs and trees are now unrecognizable. The only maintenance appears to be the sports fields.

Please advise who I can contact to discuss this.

Thanks You.

Pat
