Dear Julia,

Thank you for your invitation to meet with the Board of Education.

We appreciate that such meetings may have the potential to benefit our members; however, it is not yet clear in what ways this would be realized. Before moving forward, we would like to seek clarification regarding the purpose of such a meeting. In particular, we are interested in understanding what matters the Board views as being of mutual interest between the Board and the COTA. Having this clarity will allow us to consider how best to structure a meaningful and productive dialogue.

We look forward to receiving this information so we can determine appropriate next steps.

Respectfully,

Susan Bauhart
President, Central Okanagan Teachers' Association

On behalf of the COTA Executive Committee
