### 3050 – DISCRIMINATION TOWARDS AND BY STAFF AS IT PERTAINS TO SEXUAL ORIENTATION AND GENDER IDENTITY

#### Introduction

The Board of Education is committed to a safe, positive and inclusive learning and working environment for all students and employees regardless of their sexual orientation or gender identity. The letter and spirit of the *Canadian Charter of Rights and Freedoms* and the *B.C. Human Rights Code* (“the Code”) are observed, enforced, and supported in this policy so that all members of the school community may learn and work together in an atmosphere of respect and safety, free from discrimination, harassment and/or exclusion.

The purpose of this policy is to define appropriate behaviours and actions in order to prevent discrimination and harassment through greater awareness of and responsiveness to their negative effects. This policy will also help to ensure that homophobic complaints are taken seriously and dealt with expeditiously and effectively through consistently applied policy and procedures. The policy will also raise awareness and improve understanding of the lives of people who identify themselves on the basis of sexual orientation or gender identity.

#### Policy

1. The Board prohibits any form of discrimination, intimidation or harassment against any person based on gender or sexual orientation as outlined in the definitions that follow.
2. The Board expects members of the school community to welcome, include and support all others regardless of their gender or sexual orientation.
3. This policy is intended to address issues where the cause of the conflict or behaviour is based on a personal characteristic that is protected under the BC Human Rights Code. Board Policy 3030 – Human Rights will govern both the application and resolution process.
4. The Superintendent of Schools/CEO is responsible for ensuring that the provisions of the Code and this policy are communicated and understood.

- (c) the distinction is not based on a bona fide occupational requirement.

*Harassment* is defined as behaviour that occurs while conducting or participating in activities related to the learning or working environment that:

- (a) is based on or related to a prohibited ground of discrimination as set out in the *Human Rights Code*: race, sex, marital status, family status, ancestry, place of origin, sexual orientation, gender identity or expression, age, colour, religion, political belief, criminal conviction unrelated to employment, or mental or physical disability, and
