Tie-breaker

If two teams tie on points at the end of the season, the following procedure will be used, in order, to break the tie.

1. Head-to-head.
 - a. The team that won more points in the two matches between the tied teams
 - b. Aggregate score between the tied teams in the two matches (does not apply if both games were tied)
2. Goal difference in all league matches (with a max of 5 per game)
3. Fewest goals against in all league matches
