School District No. 23 (Central Okanagan)

Policies

Section 1000 – Board Governance

1220 - DISTRICT STUDENT COUNCIL

Introduction

The Board of Education recognizes the importance of students' involvement in the Board process. The Board supports the establishment of a District Student Council and values students' participation and contribution.

Representatives from the District Student Council are invited to attend Board Meetings and Committee Meetings and their opinions will be sought and heard.

Purpose

The purpose of the District Student Council is to:

- create a connection between students and the Board to facilitate input into District decisions;
- bring questions, concerns and ideas to the Board;
- advocate for the betterment of student life;
- assume an active leadership role on behalf of students;
- promote positive relationships between schools.
