Dear Families and Caregivers,

On behalf of the Board of Education for Central Okanagan Public Schools, welcome to the 2023 – 2024 school year.

We are excited that all of our schools are open for business thanks to the heroic efforts of the firefighters and volunteers who responded to the wildfires in our area. If you have been impacted by the wildfires, please connect with your school Principal to see how we might support you.

Educational staff have been in planning for students' arrival and we are prepared to begin a year of inspiring wonder.

Over the summer months, the Operations Department have completed numerous projects, along with the routine maintenance of facilities, grounds, transportation and custodial, to ensure schools are clean, safe and ready to welcome students back.

We wish you and your children all the best for the 2023-2024 school year.

Yours truly,
