[Central Okanagan school trustees advocate for education funding needs](#)

Trustee Tiede,

I am confused - the district's school opening report (part 1) stated we had 666 new students - but the 2nd part stated our new student count was 426. I did question both of these numbers. Yet in the recent Capital News article, it was reported you stated the following:

Tiede said this year saw an increased headcount of nearly 700 new students, including more than 470 newcomers to Canada.

I would appreciate your clarifying/explaining this discrepancy for me.
Thank you.

Yours truly,
Susan
