learn**

A heartfelt thank you for your incredible contribution to the “Together We Learn” canvas painting which is now hanging in the main board room of Central Okanagan Public Schools head office.

Your depiction of the traditional captik^{wl} of the Four Food Chiefs, along with the coyote, fox, and fly, is truly inspiring and beautifully captures the essence of our District Vision, “Together We Learn”.

This painting will undoubtedly resonate with many who see it, for years to come.

Sincerely, the Board of Education
