Re: June 10 Agenda for Public Board Meeting - Gordon Drive Rezoning & OCP Amendment

The purpose of this submission is to request an agenda addition for the June 10th Public Board Meeting regarding the Gordon Drive Rezoning & OCP Amendment.

The 4482 & 4498 Gordon Drive property is on the border of OKM School and OKM YMCA childcare. The 65 row townhouses are proposed with a single driveway onto Gordon Drive, an arterial road already congested. The proposed development of 65 row townhouses instead of 2 homes, will result in major traffic safety issues for students, their families and staff for OKM, Dorothea Walker, Bellevue Creek, Canyon Falls and Anne McClymont schools.

A group of Lower Mission neighbours would like to present the safety concerns at your next meeting hosted on June 10th. The Public Hearing regarding the Rezoning & OCP Amendment is scheduled for June 23.
