

Do you have a 3-5 year old preschooler? The Central Okanagan Public School District welcomes your family to participate in our Early Learning for Families (ELFF) events. Each elementary school hosts an ELFF event to foster early and positive connections with children and their families. Building the home-to-school connection can help create a gentler transition when your child joins us for kindergarten.

Early Learning For Families (ELFF)

The ELFF event will include engaging and fun learning activities and give your child(ren) an opportunity to meet future faces. It is also a good opportunity for you to ask all your questions or wonders about kindergarten transitioning.
