To whom it may concern,

I am emailing based on the recent global news report about Amy Geistlinger.

I support Amy and her decision to sit quietly to the side during the celebration of Frieda Whales based on her own beliefs.

I also support Frieda Whales.

I'm not sure why this is so public and negative about Amy. She is a wonderful mother and cares deeply for her community and schools.

I would hope the school board would not make such a big show of such a small gesture. We all should have the right to celebrate or not celebrate something.

Many thanks

Jenny
