School Opening on January 5, 2015

Kelowna, B.C.

All schools in the Central Okanagan are expected to open on-time on Monday, January 5th. The weather forecast is for the snow to lighten overnight and through the day tomorrow, with the possibility of a second front later on Monday afternoon.

Parents are asked to dress their children appropriately for the inclement weather and to be prepared for the possibility of delays with bus pick-up times depending on road conditions. Should the situation change significantly, the School District website (www.sd23.bc.ca) will be updated and local media will be contacted.

Motorists in school zones are also being cautioned to drive carefully and to watch for pedestrians who may not have access to plowed sidewalks in their daily commute.
