We formally invite you to join your constituents on Wednesday, September 20 to join the nationwide Million March to stand up for Parent's Rights, and stand against the indoctrination and sexualization of children in our schools, and in the publicly funded Rotary Centre and Art Gallery.

Event begins at 9 AM Stuart Park. March at 11 AM.

New Brunswick and Saskatchewan, and soon Ontario and Alberta will have stood up for Parent's Rights. Standing up for Parent's Rights is happening in the in the United States, Europe, across Canada and in British Columbia and Kelowna. Parents are the legal guardians of their children and will not be coparenting with activist teachers.

On June 8, 2023 the publicly funded Rotary Centre and Art Gallery exposed children to inappropriate adult performers.

On October 14, 2023 the Rotary Centre and the French Cultural Centre are planning to expose 13-year-old children to a sexual adult themed performance. Rotary Centre Executive Director Colleen Fitzpatrick claims "organizers have taken steps to ensure that the performance is in line with community standards", despite the very same performers having a history of repeatedly exposing children to sexual adult themed performances. Miss Fitzpatrick seems has an inappropriate view on what a community standard for 13-year-old children is.

The following elected officials, three who are responsible for over 25,000 children, signed their names in support of sexual adult themed drag for children:

[Wayne Broughton](#), School Board Trustee, Central Okanagan Board of Education

[Chantelle Desrosiers](#), School Board Trustee, Central Okanagan Board of Education

[Val Johnson](#), School Board Trustee, Central Okanagan Board of Education

[Councillor Loyal Wooldridge](#), City of Kelowna

The School Board Trustees and Councillor could learn more about Parental Right's and why indoctrinating and sexualizing children is inappropriate.

Kelowna's elected officials are invited to listen to their constituent's concerns. We also invite you to speak out in favor of Parent's Rights and denounce the indoctrination and sexualization of children on Kelowna publicly funded property. Would also be a good opportunity to take action and announce the defunding of the Rotary Centre and the Art Gallery (until they desist sexualizing children).

Be on the right side of history.

Hope to see you there.
