GOALS FOR CATCHMENT AREA REVIEW

June 2014

As part of the Long-Term Facility Plan Catchment Area Review Workplan:

- Minimize disruptions to families created through capping and redirecting
- Make the most effective use of our existing facilities
- Create sustainable enrolment levels in each elementary school within Lake Country

During the last review process, staff emphasized the need to:

1. Relieve the pressure on Davidson Road Elementary School for the long term.
2. Proactively address the anticipated growth in the Southwest quadrant.
3. Distribute the student population more evenly between the three Lake Country elementary schools.

SCHOOL TEAMS

1. Review the previous goals
2. As a group:
 - a. Affirm goals
 - b. Amend goals
 - c. Recommend new or different goals
3. Chart the decisions of your school team

Time: 30 minutes

- 20 minutes for discussion
- 10 minutes for reporting out
