Dear School Board,

What a pleasure it was tonight to hear of the accomplishments of the Public Speaking students and the Robotics students!

It was inspirational to hear and see the passion each of them have in their chosen field. It's too bad the public on Zoom can't experience those highlights.

I am writing to ask if you would please provide me with the above-noted Presentation as provided to the Trustees at tonight's meeting as well as the email address Mr Turner referred to in order to locate the correct Advocacy Canada website as a resource?

I look forward to receiving the information as soon as possible. Thank you in advance.

Sincerely,

Linda Dueck
